LET THE PRACTICE KNOW YOUR VIEWS

Westbury surgery is always looking for ways to improve the services it offers to patients. To do this effectively, the practice needs to know what you think about the services you receive. Tell us what we do best, where we don't meet your expectations plus any ideas and suggestions you may have. Only by listening to you can the practice continue to build and improve upon the service it offers.

PRACTICE COMPLAINTS PROCEDURE

If you have a complaint about the service you have received from any member of staff working in this practice, please let us know. The practice operates a Complaints Procedure as part of the NHS system for dealing with complaints. Our complaints system meets national criteria.

Note: If you make a complaint it is practice policy to ensure you are not discriminated against, or subjected to any negative effect on your care, treatment or support.

HOW TO COMPLAIN

In the first instance please discuss your complaint with the staff member concerned. Where the issue cannot be resolved at this stage, please contact the **Practice Manager, Lucy Delicate- Hale** who will try to resolve the issue and offer you further advice on the complaints procedure. This will enable the practice to get a clear picture of the circumstances surrounding the complaint.

If it is not possible to raise your complaint immediately, please let us have details of your complaint within the following timescales:

- Within 12 months of the incident that caused the problem
- OR
- Within 12 months of discovering that you have a problem (provided this is within the 12 months)

The practice will acknowledge your complaint within 3 working days and aim to have looked into your complaint within 10 working days of the date you raised it with us. At this stage you should be offered an explanation or a meeting with the person(s) involved. When the practice looks into your complaint it aims to:

- Ascertain the full circumstances of the complaint
- Make arrangements for you to discuss the problem with those concerned, if you would like this
- Make sure you receive an apology, where this is appropriate
- Identify what the practice can do to make sure the problem does not happen again

COMPLAINING ON BEHALF OF SOMEONE ELSE

Please note that GDOC LTD keep strictly to the rules of medical confidentiality. If you are complaining on behalf of someone else, the practice needs to know that you have their permission to do so. A note signed by the person concerned will be required unless they are incapable of providing this due to illness or disability.

COMPLAINING TO OTHER AUTHORITIES

The practice management team hope that if you have a problem you will use the Practice Complaints Procedure. However, if you feel you cannot raise your complaint with us, you can contact:
